Do you know a
Collision Repair Professional
who wants to move their career
forward by working with an
organization that is committed to
**Quality, Integrity, and
Customer Satisfaction?**

At Wagonwork Collision Center, we are committed to growth and on-going improvement. This commitment creates opportunity for every individual in our organization.

Wagonwork Collision Center is an independent Collision Repair Facility that has been in business since 1965. Wagonwork is located in Alexandria, VA., just outside the Nation's Capitol, Washington, D.C. The name Wagonwork originated when the company was started because only Volkswagens were repaired. Wagonwork Collision Center is a fully equipped, full service collision repair facility that specializes in the repairs of import vehicles only (i.e.. Porsche, BMW, Audi, Lexus, Acura, etc.

Today, we have over 42 people in two state-of-the-art facilities with sales exceeding \$4 million.

Our plan is for continued growth at Wagonwork Collision Center.

Our intent is to identify and recruit quality professionals on an on-going basis. If you, or someone you know, would like to learn more about our organization, please contact:
